

## Repair Claim Form

**Step 1** – Contact RAPIDTOOL on **1800 955 755** or **02 9098 8943** to troubleshoot the issue. Some issues are resolved by calling RAPIDTOOL in the first instance.

**Step 2** – Please complete and include a copy of this form with the product being sent for repair.

**Step 3** – Return the Goods to an authorised RAPIDTOOL service centre location for inspection. Please note a list of our current authorised service centres is available at <https://rapidtool.com.au/service-and-repair/>.
